

MARSHAL ARNOW IS AFTER TIGERS AGAIN

LANDED BIG ONE ON LAST SATURDAY NIGHT.

Negro Put Up Cash Bond of \$60, But Failed to Appear in Mayor's Court Monday.

From Tuesday's Daily Sun:

Marshal Arnow succeeded in catching another "tiger" on Saturday night, and caught the man for two offenses. He had been on the lookout for one Oscar Smith for some time, but Saturday night was his first real good chance at making the haul, and he not only pulled the negro, but got the goods, and then required a cash bond of \$60 before he released him from custody.

In Smith's home was one gallon jug filled with cheap corn whiskey, seven quart bottles, all sealed, besides numerous empty ones that had been drained. When the marshal approached the door and opened it he at once saw the negro was armed with a pistol, which he commanded him to drop and which proved to be a new 38 S. & W.

The negro was required to furnish a \$60 cash bond for his appearance at mayor's court Monday morning, but this was forfeited, for he failed to put in his appearance.

While the marshal was engaged in that part of the "Alley," Policeman Richardson was also busy in catching "Doc" Mortimer, who had made a haul on the supply of L. J. Burkham's socks, confiscating about six pairs. Mr. Richardson relieved him of his goods and also found half a dozen ties belonging to another store. The negro plead guilty in mayor's court and was taxed \$10 and costs at Monday's hearing.

Disagreeable at Home.

Lots of men and women who are agreeable with others, get "cranky" at home. It's not disposition—it's the liver. You and everybody around you will feel better for it. Price 50 cents per bottle. Sold by W. M. Johnson.

LETTER TO J. P. H. BELL, Gainesville, Florida.

Dear Sir: Here's the truth, the whole truth, and nothing but the truth:

Devoe takes less gallons for a job than any other paint.

If anyone doubts this statement, here's the proof:

He may paint half his job Devoe, the other half any other paint.

If Devoe half doesn't take the least gallons and cost less money, no pay.

Yours truly,

F. W. DEVOE & CO.

Mr. Raffles of Air Dome.

The mysterious Mr. Raffles of the Air Dome has arrived in the city and on Saturday last took breakfast with N. Francisco, visiting a number of the stores during the day. That you may better get a chance to see him, he will some time during the forenoon enter the store of J. Manasse for the purpose of purchasing goods. He has on numerous occasions purchased cigars at the Brown House.

One citizen has already challenged him, but failed to receive the key, owing to the fact that he had left off the words "Air Dome."

This is simply an advertisement scheme of the Air Dome, and they will issue tickets at each performance entitling you to the permit of a challenge. Visit the show and be among the many who are now asking the question which will prove the talk of the town before the week is over.

NEGRO SPAT IN MAN'S FACE AT WILCOX

THEN PULLED GUN TO BACK UP HIS IMPUDENCE.

Arrested for Assault and Will Be Given Preliminary Hearing Before Judge Mason on 12th.

From Tuesday's Daily Sun.

F. D. Peterson, deputy sheriff of Wilcox, brought to the city Monday Chas. Ward, a negro who is charged with assault and who will be given a preliminary hearing before Judge Mason on Thursday.

Ward is a Northern negro, almost white in appearance, and it is alleged by some of the people there that he counts himself among the "best," and it is for "playing this" that he now finds himself in the hands of the law.

From what was learned it seems that on last Friday evening Ward became engaged in a dispute with a white man of Wilcox, and when something was said to him he deliberately spat in the man's face, and later attempted to pull his gun, whereupon the warrant was issued.

There have been in all ten witnesses summoned by both the defense and prosecution, and the case promises to be an interesting one.
